

## Be a Star

intro riff in G/Cm

Life is no gravy train  
When you've got a ball and chain  
The cats aren't afraid of you  
You don't move too fast  
Lose that guy and you'll fly high  
turn your eyes to the sky

**C-Am-F-C**

**2x**

Be a star that's what you are  
Be a star be a star

Plant some roots grow a tree  
Find some shade brew some tea  
Turn some water into wine wrinkle up some prunes  
Rainbows at a waterfall twinkle in your eye

**2x**

Be a star that's what you are  
Be a star be a star

oh...

**3x A-F**

**2x**

Be a star that's what you are  
Be a star be a star  
A hundred million butterflies cover up the sky  
A hundred million butterflies cover up the sky

**C-Am-F-C**
